

Get your FREE Battery Can Opener Today!

With the DIBO Can Opener, your cans will always get open, even in case of natural disaster

A practical answer to the everyday working of your kitchen, even in case of a sudden blackout:

- **Cans can easily and quickly be opened** - Rechargeable build-in battery makes this can opener versatile.
- **Can opener can be used anywhere** - Because no plug-in cord is required, it can be located in various places.
- **Let your chef prepare meals faster** – This can opener is smaller than the competition yet more powerful.
- **Practical to use** - Constructed with the needs of your kitchen in mind, takes half the counter space of comparable models.
- **Your staff can operate it safely** - No sharp edges are left after cans are opened.
- **Parts can be easily disassembled and reassembled** - That means simple cleaning, maintenance and sanitation.

DIBO Can Opener - Where you'll find a unique brand of can opener for your kitchen.
